Dear Mr Garnsworthy

**Moree Solar Farm (MP 10_0175)
Building Certificate Time Extension**

I refer to your letter dated 16 May 2017, requesting additional time to obtain a building certificate from Moree Plains Shire Council (Council) for the Moree Solar Farm.

Condition A4 of Schedule 2 of MP 10_0175 requires Moree Solar Farm Pty Ltd (Moree Solar) to obtain a building certificate for the relevant works by 28 February 2017. Consistent with this condition, the Secretary has discretion to extend this timeframe.

The Department acknowledges a previous time extension request was approved in February 2017, which required Moree Solar to obtain a building certificate by 17 May 2017. The Department has reviewed the information provided in the current request and notes a further time extension is required by Council to finalise its review and determination of Moree Solar's building certificate application.

Accordingly, the Secretary approves your request and requires Moree Solar obtain a building certificate by 2 June 2017.

If you have any further enquiries about this matter, please contact Tim Stuckey on the above contact details.

Yours sincerely
